

APRIL COURT DAY LARGELY ATTENDED

Cattle In Big Demand and Mules Higher Than Ever. Very Little Other Stock On Market.

As usual, April court day in Richmond brought forth a large crowd and possibly five thousand people were in the city during the day from all sections of the state. Both stock yards were crowded with cattle of all kinds and bidding was spirited on this kind of stock. Very few hogs and sheep were on the market, being an off season for them.

Many Cattle On Hand
Possibly 2,500 head of cattle were on hand at both the East End and the Madison stock yards and all were sold before the day was over at prices ranging from \$10 to \$15 the hundred pounds. Some sales reported up to noon were as follows:

Collins, House and Taylor, to Lee Congleton, 100 head at 13 3-4; Cy Jones to Hanger and Co. 35 head, Sparks and Co. 40 calves to J. A. Jackson of Smithfield; S. H. Jones to Mr. Price, 32 head; Bruner & Patterson of Washington Courthouse O., sold four car loads of mixed cattle at 10 to 14 cents. They also sold four car loads of draft horses and mules.

Mules Are High
Although there were a large number of mules on the market traders were of the opinion that first class mules were scarce today and prices higher than ever. J. H. Burke of Silver Creek bought a good one from Fletcher Mann for \$335. Out of town buyers who were getting a few at prices up to \$350 were Chas. Fortner and Sid Burch of Winchester, Bowen G. Cox of Danville, Mr. Peel of Nicholasville.

Patterson Sells Horses
Joe F. Patterson and Co. made the following sales of horses during the day: One pair of work horses to Lee Congleton for \$246, young work mare to John Adams, \$112.50, one gelding to George Noland for \$125, one bay gelding to Melvin Warner for \$125, pair of grey gelding to R. A. Vinson for \$240.

Court Day Notes
That Patterson and Co. find Richmond a good horse market is evidenced by the large number they bring here every court day.

Tobacco plants are up pretty well all over county is news brought in today by growers.

Col. Jake Hendren, of Berea, was among the court day visitors, and is still boasting good roads.

Sim Well, Lexington cattle buyer, was mingling with friends but not buying much stock.

M. M. Hunter sold a four-year-old shetland pony and buggy to J. S. Griggs of the Million section.

Robert L. Arnold, formerly in business here but now in Garrard county, was a court day visitor and renewed his subscription to the Daily Register.

Tractors are fast becoming popular with the local farmers, a great many already being in use. The Fordson tractor and plow was on display on the streets today and had many admirers.

General Black, of Clark county, made his usual court day trip to the city.

W. P. Kincaid, the well known tobacco buyer, sold a nice saddle gelding which he bought at the Chas. Jett sale, to Robert Jackson, here Monday, for \$150. Mr. Kincaid is on the lookout for a first class walking horse for a friend in Boyle county, but so far has been unable to locate the right sort.

Messrs. John Goggin and Jack Spoonamore, two prominent farmers of the Hubble section of Lincoln county, were on the market here Monday. Mr. Goggin bought a five-year-old mare mule from Bush Hamilton, of Winchester, for which he paid \$140. Both he and Mr. Spoonamore are big mule and cattle buyers, and know the right sort of stuff when they see it. They are also regular visitors to the big Richmond court day markets.

Jephtha Jett sold his 8-year-old Peavine stallion, which has been advertised in the Daily Register, to Peter Barton of this county for \$136. Mr. Jett was well pleased with the sale.

BEGINNING Saturday March 29th and running two weeks, we will have on display brooms at prices that will sound good. D. B. McKinney & Co. 11

Will of Miss Ballard Probated In County Court

The last will and testament of Miss Nannie Ballard who died last week, was read and probated this morning before Judge Price, and in it she makes many bequests to her friends. The will, which was a lengthy one, read in part as follows:

That \$1,000 be set aside to purchase a monument in the family lot in Richmond cemetery.

To her brothers, John W. and Leslie Ballard, she bequeaths \$5 each; to Hockaday Dunn, the sum of \$5,000 and to his oldest son her silver brushes, military brushes, horse and buggy and plain gold ring; to her great niece Margaret L. Dunn, \$3,000 and a portion of her jewelry; to Margaret Potts, \$5,000; to Lucy B. Sallee, \$2,000; to Herbert Ballard, Jr., \$2,000 to be held in trust by her executor; to Mrs. Stone, \$500; to each of the children of John W. Ballard, \$1,500; Margaret Potts, her piano, solitaire diamond ring, diamond brooch, cuff buttons, and cameo breast pin; her silverware to Lucille Dunn; to Ewing Sallee, her large trunk and all books; to Elizabeth Sallee, her skirt box, silk quilt, and embroidered pillow slips.

Harry Morgan was named executor but had not qualified at time we go to press.

The last will and testament of the late William English, was opened and after making requests that all just debts be paid, bequeathed his entire estate, both personal and real, to his wife, Susan M. English, naming Lida E. Sturdevant and Charles B. English, his children, executors.

Mr. Cabel Chenault is reported on the sick list today.

AFTER-WAR CONFERENCE OPENS HERE TUESDAY

Dr. Homer Carpenter To Be Toastmaster At Banquet To Returned Soldiers and Sailor Boys.

Everything is in readiness for the Demobilization Conference which is to be held here this week, under the auspices of the Church Community Welfare League. One of the prominent features of the conference will be the banquet to the returned soldiers and sailors to be held in the parlors of the First Christian church Tuesday evening at six o'clock. The committee has endeavored to get the names of all returned boys so that none might be omitted. This banquet is given in honor of the Madison county boys and everyone of them is expected to be there. Dr. Homer W. Carpenter will be the toastmaster and that means that a very spicy and entertaining program will be put on for the boys. Music and brief addresses will be enjoyed by all.

At 7:45 Tuesday evening the first session of the conference will be held in the Presbyterian church. Hon. H. V. McChesney, who has been very close to the boys at Camp Taylor, and who is thoroughly conversant on after-war problems, will speak.

The committee feels that they are particularly fortunate in securing Chaplain Stapp to speak at this conference. Chaplain Stapp spent nearly 10 months with the British and African soldiers on the Western front. He has a thrilling message to tell.

On Wednesday there will be a morning session of the conference, beginning at 9:30, at the First Baptist church. The afternoon session begins at 1:30. Live questions touching every part of community life will be discussed by the visiting and local speakers.

On Wednesday evening, President Frank McVey, of the University of Kentucky will speak at the Christian church on the "Relation of Education to After-War Problems." Special music will be furnished by the Christian church choir. The program of the conference is given in full in another column.

Communist Government Reported Overthrown

(By Associated Press)

Vienna, April 7—Bulletin—The Hungarian Communist government in Budapest has been overthrown, according to rumors in official circles. Bela Kun, the Foreign Minister, is reported to have been assassinated. The reports do not say whether the socialist or bourgeois parties organized the revolution.

The communist government in Budapest was still in office Saturday when Bela Kun was to have made a proposition to General Smuts, chief allied representative in Budapest, that the representatives of the various states of the old Austrian Empire and Rumania would hold a conference to discuss boundary and economic questions. Kun formerly was private secretary to Premier Lemine of the Russian soviet government, and has been regarded as the real leader of the communist government in Hungary.

Washington, April 7—Bulletin—Advice to the State Department today, indirectly from Vienna, said the communist revolution seemed imminent in German Austria.

Clemenceau's Viewpoint May Be Upheld

(By Associated Press)

Paris, April 7, Havas—An extremely optimistic impression prevails now regarding a settlement which will be favorable to France of the question of her security against future aggression and neutralization of left bank and part of the right bank of the Rhine. The Petit Journal discussing the financial situation today says it appears that France will be completely indemnified and adds the belief prevails that Clemenceau's viewpoint regarding the reclamation from Germany, and the special indemnity for pensions for cripples and war widows would be upheld.

Peace Conference Adopts Reports

President Wilson Much Improved

(By Associated Press)

Paris, April 7—President Wilson's condition was much improved this morning, but by direction of Rear Admiral Grayson, his physician, the President remained in his room today, and attended no meetings. Apparently the President's cold is in the last stages of wearing off process. He hopes to be able to resume work on Tuesday.

Wage Raise of Brotherhood Discharged

(By Associated Press)

Washington, April 7—Wage advances for the four leading trainmen's and engineers' brotherhoods were discharged finally today between Director General Hines and the chiefs of the Brotherhoods.

It is probable that an order will be issued in a few days that will readjust their wages so as to restore most of differences between the various classes of employees, existing before January 1st, 1915, which were disrupted by a general wage increase granted last year.

A few rates may be lowered, it was said, but the general level will be raised. It is reported today that the Brotherhood's application for time and half pay for overtime had not been granted.

A Word To The Hungry

Good patriots who have kept Hoover's commandments and have denied themselves candies and many other confections, will now have an opportunity to satisfy that "sweet tooth" enjoy a world of goodies at the P. A. C. Infirmary bazaar, Saturday, April 12th. Mrs. Dean's candy table will be one good thing after another—the crack candy makers of the community are busy preparing the most delectable sweets. Mrs. Mays will have cakes and pies galore, not made of substitutes but the real articles, delicious deserts all ready for your Easter dinner—fowls, salads, cookies, and other gastronomic gems that could make Lucullus' feast look like a mid-night lull counter in some tank-town. Mrs. Thompson Burnam is to serve a noon-day luncheon that will cause the Ritz Carlton and Waldorf-Astoria to sit up and take notice, and best of all, pre-war prices will prevail.

Baker Sails For France

(By Associated Press)

New York, April 7—Secretary of War Baker and Hugh Wallace, of Tacoma, Wash., the new Ambassador to France, sailed on the steamship Leviathan today for France. Secretary Baker is going abroad to attend a meeting of the allied liquidation commission for the settling of payments between England, France and the United States for war material.

Transport Goes After Wilson

(By Associated Press)

Paris, April 7—Bulletin—Orders, it is learned, had been given from the United States, that the transport George Washington, was to proceed from America to a French port, is not taken to mean that President Wilson is contemplating a premature departure from France. They thought it to reflect a belief that the peace conference would be able to effect an adjustment of outstanding problems at a comparatively early date.

Which Way Will Cat Jump?

(By Associated Press)

Louisville, April 7—The Times says politicians are anxiously watching to-day movements on the political check-board to see which way the followers of Gov. Stanley will lean with H. H. Cherry, of Bowling Green, out of the race for Governor and his fellow-townsmen, Col. H. H. Denhardt making a bid for the nomination. The withdrawal of Cherry is expected to be made from his home town today.

Won't Recognize Bolshevik

(By Associated Press)

Washington, April 7—Bulletin—Lord Reading, the British Ambassador, authorized a statement today that suggestions were wholly unfounded that Premier Lloyd-George had advised the recognition of the Lenin and Trotsky Russian Bolshevik leaders.

WM. R. BOGGS VICTIM OF TERRIBLE ACCIDENT

Prominent Young Farmer, Accidentally Shot By Friend, Dies On Way To Hospital.

The community was shocked late Saturday afternoon, when news was flashed around town that William R. Boggs had been accidentally killed while fishing near Shearer, about 10 miles north of Richmond. The particulars of the sad accident, as nearly as can be learned, are as follows:

Mr. Boggs and his friend, Clifton Weaver, of this city, were going to the creek about a mile below Shearer to fish and Weaver was taking his rifle along to do some shooting. The deceased was walking about ten feet in front of Weaver and while going through some brush near the creek the rifle accidentally went off, the bullet striking Boggs in the hip, ranging downward, breaking the bone in the hip and upper leg and severing an important artery in the leg.

Weaver seeing his friend seriously injured, summoned Dr. R. C. Boggs, who immediately set out in a car with Dr. J. W. Scudder to render all known medical science to save the life. Their efforts were unsuccessful, however, as Mr. Boggs died on the way to a local hospital.

William Boggs, better known to his friends as "Billy" was in his 42nd year. Besides his wife who was Miss Cora Shearer, he is survived by his mother, Mrs. Margaret Boggs, two brothers, Dr. Robert C. and B. F. Boggs, of this city, and Mrs. Walker McKinney, of Georgetown, all of whom have the sympathy of the community in their sad bereavement.

Mr. Boggs was born and reared in this county, and had been operating his farm at Red House for many years. He was very popular throughout the whole community, honorable, upright in all his dealing, esteemed by everyone, and his death came as a severe shock to his many friends, and especially to Weaver, who has been confined to his bed with nervous prostration since the terrible accident occurred.

The funeral services were held this afternoon from the First Christian church, of which he had long been devoted member. Services were conducted by Dr. Homer W. Carpenter, followed by interment in the family lot in the Richmond cemetery. The pall bearers were R. A. Sparks, J. S. Boggs, G. B. Turley, Spears Turley, Turley Noland, and James Deatherage.

Dr. Jeffries Opens Office In Richmond

All Choked Up With Catarrh? Why Continue Makeshift Treatment?

Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface.

To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. B, Atlanta, Ga.

Here's the big work, little cost tractor—the Titan

THE Titan 10-20 has been on the market for years, and has made good without reservation. 10 horsepower at the draw bar—20 horsepower at the belt.

A well-balanced tractor that is suited to all farm power work. It drives easily, affords maximum pulling power for its weight, and is suited in every way to the general run of farm work. Not too large for the small farm, yet large enough to handle a great volume of work.

Use it with an Oliver Plow—

We recommend that you use an Oliver plow with your Titan tractor, because it means the best plowing under all conditions. The combined rolling coulter and jointer buries all trash and weeds at the bottom of the furrow; the stop device maintains an even depth of furrow; the plow points enter and leave the ground first, making it possible to plow clear to the ends of the field; and the trip rope control operates easily from the driver's seat on the tractor.

We have a full line of Oliver plows as well as the Titan tractor here at our salesroom.

Keep On Advertising.

J. L. McKeehan was here last week interesting local dealers in a big advertising proposition which the Quaker Oats Company is soon to put on. Everybody knows Quaker Oats, of course but the manufacturers know that it pays to keep on advertising their product. A lot of business men say "Why should I advertise? Everybody in this community knows where I am and what I carry." The same argument would probably hold good about Coca Cola, one might say. Yet the people who make it are preparing to spend a million dollars advertising it this year. You'll notice that it's usually the case that those who do the most advertising in the newspapers are doing the most business; and this applies to any line, anywhere you go. Investigate it and see if it isn't so.

HONOR FIGHTING PARSON

Dr. John H. Clifford, Baptist minister in time of peace, but real fighter in time of war, has been awarded the croix de guerre for extraordinary heroism in action.

Doctor Clifford, as a Y. M. C. A. worker, braved the red wrath of war. He has been in the firing zone as much as the hardest infantryman and was decorated for a most unusual exploit. He was one of three men who braved incessant enemy shell fire while rescuing Col. Albertus W. Catlin, commanding officer of the Sixth regiment of marines. The trio carried the colonel to safety on a stretcher.

Doctor Clifford went over the top many times and came near being killed on several occasions. He is fifty-one years old.

Meritone Put Him Back On His Feet And He Feels Fine Now.

Poor health kept M. L. Wilkes, of Nashville, off the job for over three months, but now he says he is feeling fine and is working every day.

"Meritone brought the change," Mr. Wilkes said. "It changed me all over and made me feel like a new person."

Mr. Wilkes is a well known Nashville carpenter. He lives in the 12th district, East Station, Route No. 1.

"My health was completely run down and after I got over influenza," continued Mr. Wilkes, "My appetite was poor and I felt so weak and bad at times that I was hardly good for anything."

Gains Weight

"I read about Meritone in the newspapers and started taking it. I am now on my second bottle and I feel like a different man altogether. Meritone has completely changed my condition and I am working every day."

Thousands of people all over the state are taking Meritone and praise it as highly as Mr. Wilkes does.

Meritone is a system medicine and has no superior for overcoming such ills of the system as ailing conditions of the stomach, liver or kidneys, catarrh, rheumatism and the like or for strengthening and building up the system.

Meritone is sold exclusively in Richmond by H. L. Perry and Son. 27

HAVE COLOR IN CHEEKS

Be Better Looking—Take
Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

Good News For Motorists

It is understood that the county road department will commence this week on repairing the Lexington pike from the city limits to the river. New metal will be put on where needed and the bed will be scarified and pulled in where this can remedy the bed stretches that are prevalent along this pike. The first two miles from the city will be put in condition to be treated with Tarvia, provided the Fiscal Court accepts the bid of the company which had bid to do this work. On his recent inspection of the six

roads leading out of Richmond that will be treated with Tarvia, the Barrett representative expressed the view that all the roads were in first class shape to take this treatment with the exception of the Lexington pike, consequently this repair work is to be done.

A GOOD WAY TO SAVE

"In times like these when economy is so essential, I know of no better way to save than to have the entire family shod with Neolin Soles," writes B. F. Williams, Rochester, N. Y.

In his letter Mr. Williams tells of a pair of Neolin-soled shoes which he has worn constantly for four months.

"The soles still look like new," he says.

You, too, will think there is no better way to save, when once you have tried shoes with these long-wearing, comfortable, and waterproof soles. They come in many styles for every member of the family. And good repair shops carry Neolin Soles for re-soles. They are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

Fordson Farm Tractor

We are agents for Fayette, Madison and Jessamine counties, and will make deliveries to your farm. The Farm Tractor has become an agricultural necessity, in view of the uncertainty and high cost of labor. The present high prices of all farm products, and the absolute necessity of food for the world, puts the question of intensive and extensive cultivation by all progressive farmers, that they may make hay while the sun shines. The Farm Tractor is the most economical and the quickest of all means of cultivation.

The Fordson Weighs 2800 lbs.

It is light and powerful, it has a development of 22 horse power at the belt pulley, a draw bar pull of 1800 pounds dead weight in second speed, and 2,500 in low speed, it has three speeds forward, draws two 14-inch mold board plows at the rate of four miles per hour, and can be turned in a space of ten feet. With the pulley attachment it can be utilized as a stationary engine, uses coal oil as fuel. The price of this Tractor is \$965.00 including belt pulley. We carry all repair parts and can keep your Tractor at work all of the time. Let us show you this farm necessity and demonstrate its essentiality to your needs.
